
CEPHAS JOURNAL

How important it is that they are taught about the impact of hygiene!

Kath Gaon

Mass health education programs have always been a priority and the impact it has on their health is very significant.

A secure roof for 4 families

Assam

Heavy wind and hailstorm flew away roof tops leaving many families in distress. We extended help to 4 families by providing tin sheets to fix their roofs.

Creating solutions and igniting revolutions Youth Seminar

120 youth gathered for a day packed with activities and learning sessions. They returned back to their villages energized and empowered.

Summer camp for children Karnataka

Few children in the locality of Hale Njanjapura were engaged in activities and games for 3 days during the summer vacation. Each of them received a water bottle as a token of appreciation.
