## FLOODING IN NORTH INDIA

*The raging waters show no mercy in their path of destruction killing many lives and leaving the survivors homeless.*

## FLOOD RELIEF IN HIMACHAL

Provisions worth of Rs1000 were delivered at the door step of families still sheltering under shattered structures. 15 families in the region of Solan & Mandi received help.

### IMPACT STORIES

"We saw our house crashing down and submerged in the river before our eyes. We could save very few household items. We are thankful for the provisions."  
Tatalu Rukhmani

*"You were the first one to reach us. We were desperate; no house, no job, but we have food to eat. It has given us hope to move ahead" says Amar.*

*Let's continue to extend our support!!*

## STUDY CENTRES IN SUNDERBANS

Investing in education for developing rural children can lead to long-term positive impacts and a brighter future for generations to come. These platforms also help create a more cohesive and inclusive society among different cultural groups.

# SUMMER PROGRAM FOR CHILDREN

Summer break in Assam usually extends till the last week of July. 550+ children in 6 locations were engaged in enriching activities, which resulted in creating a memorable and exciting experience for participants of all age groups.
