# Global Handwashing Day Highlights

15 October 2023

Demonstrating proper handwashing techniques, displaying educational posters, and distributing stickers and soap made the activity enjoyable for school students and attracted local communities in 3 locations.

# Vocational programs

## STEPS Study Centre @ Assam

The Spoken English classes for underprivileged youth in Panikowa Tinsukia have resumed, facilitated by the newly constructed multi-purpose hall.

## Skilled Hands Tailoring Unit

Six women who attended the tailoring course were awarded certificates in Shimoga, Karnataka. This is the fifth batch of women to complete the six-month training program in basic tailoring, marking a significant achievement for the community.

# From heart to hand

Every donation, big or small, has played a vital role in our journey towards bringing hope to individuals, families and communities. We urge you to show your act of kindness once again by stretching your hands in generous contributions towards the 'Winter Project- Warmth for Manipur' @ Rs 750/blanket.
