The winter was most dreaded for those still seeking refuge in relief camps. In an effort to provide support, blankets were distributed to victims from two camps in North Manipur. Approximately 100 families have benefited from this initiative.

## Happiness box

Through the partnership with Sowing Seeds, a charitable organization, we distributed gift boxes to children. Each box is tailored to their age and gender, with toys and other surprises. 370 children from West Bengal, Assam, Tamil Nadu, Uttar Pradesh received these gift boxes and were delighted. We thank Sowing Seeds for their generous support.
