# Global Hand Washing Day

October 15th, being the global hand washing day, was an opportunity to train and teach the importance of hand washing. With the global pandemic threat on the rise, this initiative was a need of the hour. Around **1450 plus locals visited the hand washing booths to learn the steps and volunteered to practice and teach others as well.** The children who visited the booth were each given a soap bar as an incentive to continue this habit for a healthy life. Children and Community members of Raidhigi & Nepali Para, West Bengal and Rampur Tirha, Uttar Pradesh were benefited through of this program.

## Blanket Distribution

Winter usually means cuddling under the blanket for warmth, lying in our comfort zone and sipping a nice hot coffee. But for those from less privileged homes, with every drop in the temperatures is a fight for survival. Cephass Foundation felt that there is no better gift than providing a Blanket to the less fortunate during winter. **Cephass Foundation reached out to 500 individuals with blankets** in the Sunderban Islands of West Bengal and in Uttar Pradesh. The individuals were overjoyed to hold this warm gift as there is nothing more, they could ask for than the warmth of a cozy blanket.

# School Supplies

Appropriate learning supplies for children help to fulfill their right to education and equip them for the future. Globally, 264 million children do not have the opportunity to enter or complete school. Majority of the children miss out on school because of poverty, disability or discrimination.

This year the crises deepened due to Covid-19 lockdown. That is when **Cephas Foundation** reached out to **594 Children** with Learning supplies and few sports items.

# Skilled Hands

Cephas Foundation helped a small group of 10 women to be trained in tailoring skill to empower them and to bring out their hidden creativity and to earn a living. This helped the women to become self-reliant & self sufficient individuals.

# STEPS Study Center

With schools being closed and with no access to online education, **Cephas Foundation provided 155 children access to education.** This helped the children to be engaged in learning and provided emotional support during the pandemic.

Though the Financial Year 2020-21 was filled with unprecedented events, we thank each of you for standing with us and shouldering activities of Cephass Foundation through generous contribution.

Alone we can do so little, together we can do so much
