WEAVING THEIR SUCCESS

With no prior experience, these women joined a regular training program, showing up with commitment and eagerness to learn. Over time, their fingers grew confident, their creativity flourished, and their teamwork strengthened.

STEPPING UP WITH STYLE AND CONFIDENCE

At first, they shared a single machine. As their training progressed and their passion grew, two more machines were added. This month an additional machine was purchased, allowing them to practice consistently and refine their craft.

HONOURING YOUNG ACHIEVERS

To celebrate the hard work and success of students who passed Class 10 and 12, a heartfelt felicitation program was organized in a rural community in Assam. A total of 15 students were honoured for their dedication and achievement

Each student was presented with a traditional Assamese towel — a symbol of respect and blessings, along with a book to inspire their next steps and a Certificate of Appreciation to recognize their efforts.

A SELF-SUSTAINING MODEL

Our project in Uttar Pradesh, have taken a promising step toward self-sustainability — the setup of a buffalo farm dedicated to milk production. This initiative is more than just a livelihood project; it is a visionary model for generating sustainable revenue to support ongoing social development activities in the area.
