EMPOWERING LITTLE LEARNERS WITH TOOLS, TRUST, AND CARE

Children's Day became a meaningful and memorable experience for a group of 27 kids from Duhotiya Bagan village in Assam. They participated in fun activities and learned about discipline..

The moment the children received their stationery kits, their faces lit up with pure happiness—some hugging their new notebooks, others flipping through the pages in excitement.

STEPS STUDY CENTRE

The tuition centre is making a remarkable difference in the remote villages of the Sunderban, where children from simple backgrounds often have no proper space or support to study at home. Here, they find the guidance, tutoring, and motivation they need to excel in their academics. This simple learning environment is shaping futures, one child at a time.

»»» A STORY OF TRANSFORMATION

Srabonti Mondal, a 12-year-old from Subhas Gram in South 24 Parganas, grew up almost like an orphan—wandering the village without care till a family adopted her and enrolled her in the STEPS Study Center. When she first arrived, she could barely read or write, but the teachers patiently taught her step by step. Slowly, Srabonti began responding, learning, and discovering the joy of studying. Today, she is confidently studying in Class 8, completing her lessons, participating in class, and dreaming of a brighter future.

CHILDREN'S DAY CHEER IN A SLUM

Children's Day brought a burst of joy to a small slum community where many children often feel neglected and forgotten. Reaching such groups—those who need care, reformation, and a chance to dream—has always been our priority. We were delighted to bring cheer to 33 children by gifting them lunch boxes that they received with bright smiles and excitement.

HANUMANTHANAGAR, BADRAVATHI

The celebration was graced by the local leaders who joined us, encouraged the children, and appreciated the dedicated efforts of Cephas. It was a simple gesture which sent a strong message to the community that every child deserves an opportunity to dream.
