HOPE IN ACTION: TRANSFORMING LIVES IN THE SUNDERBANS

Every community has stories of resilience, determination, and hope. In the remote villages of the Sunderbans, these stories are unfolding every day through the lives of children eager to learn and women determined to build a better future for their families. These initiatives are bringing lasting change to the community at Subhash Gram, Chandi Tala Village, West Bengal.

A SAFE PLACE TO LEARN AND GROW - STEPS CENTRE

The STEPS STUDY CENTRE at Subhash Gram, Village Chandi Tala, continues to serve as a beacon of hope for children from the local community. Currently, 20 children regularly attend the centre, where they receive academic support, mentoring, and personal encouragement.

The centre is led by Mrs. Sanchita Bhuinya, who, together with two qualified tutors, faithfully conducts the classes with dedication and care. Their commitment has become a tremendous blessing to both the children and their parents, who deeply appreciate the opportunity for quality educational support.

The STEPS STUDY CENTRE is making a remarkable difference in the remote villages of the Sunderbans, where many children come from humble backgrounds and often lack a suitable environment or guidance to study at home. At the centre, they receive structured tutoring, individual attention, and the motivation needed to strengthen their academic performance and build confidence.

More than just a place for learning, the STEPS STUDY CENTRE provides a nurturing environment where children are encouraged to dream, grow, and pursue a brighter future. Through the dedication of the tutors and the enthusiasm of the students, this initiative is transforming lives—one child at a time.

EMPOWERING WOMEN THROUGH SKILL DEVELOPMENT - SKILLED HANDS

Skilled Hands Tailoring Program continues to empower women with practical skills that open new opportunities for economic independence.

Many participants began the training with no previous tailoring experience. Through regular instruction, hands-on practice, and consistent encouragement, they have developed valuable sewing skills and gained the confidence to create quality garments.

More importantly, the programme has built friendships, strengthened teamwork, and inspired women to believe in their own abilities. As their skills continue to improve, so does their hope of contributing to their household income and creating a more secure future for their families.

ASSAM FLOOD RELIEF APPEAL

The recent floods in Assam have left many families in urgent need of food, clean water, clothing, and essential supplies. Your support can bring timely relief and renewed hope to those affected.

Pray. Give. Share. Every contribution makes a difference.
